THIS MATTER was presented to a panel of the Disciplinary Hearing Commission composed of Tommy W. Jarrett, Chair, M. H. Hood Ellis, and Donald G. Willhoit upon the consent of the parties. A. Root Edmonson represents the North Carolina State Bar and Scott E. Jarvis is *pro se*. Based upon the parties consent, the panel makes the following:

FINDINGS OF FACT

1. By consent order entered October 4, 2001, the Chair of the Grievance Committee of the North Carolina State Bar in 01G0055 transferred Scott E. Jarvis ("Jarvis") to disability inactive status due to physical, psychological and cognitive symptoms resulting from serious motor vehicle accident that impaired Jarvis' professional judgment performance and competence as an attorney.
2. On August 27, 2009, Jarvis filed a Request for Reinstatement to Active Status.
3. After a November 4, 2009 appointment with Jarvis, Dr. John Parkinson, a psychiatrist licensed in NC, offered his opinion that Jarvis currently exhibits no sign of a mental or physical condition which would significantly impair his professional judgment, performance, or competence as an attorney. Dr. Parkinson concurs with the opinion of Kenneth R. Gamblin, MD, PC, offered on September 9, 2002, that Jarvis had significantly improved over his level of functioning following his February 1998 motor vehicle accident that brought on his medical and psychological problems.
4. The North Carolina State Bar does not have evidence contrary to the opinions of Drs. Parkinson and Gamblin.

BASED UPON the foregoing Findings of Fact, the panel enters the following:

CONCLUSION OF LAW

1. Jarvis has satisfied all of the conditions of 27 NCAC 1B § .0125(c) to be eligible to return to active status.

THEREFORE, the panel herewith GRANTS Jarvis' Request for Reinstatement to Active Status.

Entered this is the 1st day of December 2009 with the full knowledge and consent of the other members of the panel.
