	)	

This matter is before the Secretary of the North Carolina State Bar pursuant to a petition for reinstatement filed by Robert W. Adams on February 12, 2001.

Based upon a review of the records of the North Carolina State Bar, the Secretary makes the following:

FINDINGS OF FACT

1. Robert W. Adams (hereafter, Petitioner) filed a petition requesting reinstatement of his law license on February 12, 2001.
2. Petitioner alleged that he had complied with all conditions of an order of discipline entered in North Carolina State Bar v. Robert W. Adams, 00 DHC 1.
3. After conducting necessary investigation regarding Petitioner's compliance with the requirements set out in the order of discipline and 27 NC Admin. Code Chapter 1, Subchapter B, Section .0125 of the Discipline and Disability Rules of the North Carolina State Bar, the North Carolina State Bar filed a response objecting to Petitioner's petition for reinstatement on March 7, 2001.
4. Upon further investigation and communications with Petitioner's attorney of record, Forrest A. Ferrell, the North Carolina State Bar is satisfied that Petitioner substantially complied with the various conditions of the order of discipline and Section .0125(b) of the Discipline and Disability Rules of the North Carolina State Bar.
5. On April 4, 2001, the North Carolina State Bar withdrew its response and objection to Petitioner's petition for reinstatement. The North Carolina State Bar does not contest Petitioner's petition for reinstatement.

Based upon the foregoing Findings of Fact, the Secretary makes the following:

CONCLUSIONS OF LAW

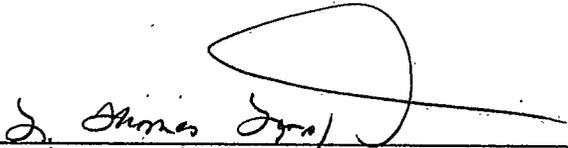

1. Petitioner, Robert W. Adams, has satisfied the requirements set out in 27 NC Admin. Code Chapter 1, Subchapter B, Section .0125(b) and the conditions of the Disciplinary Hearing Commission's Order of Discipline in North Carolina State Bar v. Robert W. Adams, 00 DHC 1.
2. Petitioner, Robert W. Adams, is therefore entitled to the reinstatement of his law license.

Based upon the foregoing Findings of Fact and Conclusions of Law, the Secretary enters the following:
